DynaMed Plus® is updated multiple times each day and provides current, evidence-based information to support decision making.

Why DynaMed Plus?

• **Evidence-Based Content:** DynaMed Plus includes easy-to-interpret levels of evidence labels so users can quickly determine the quality of the evidence.

• **Access Everywhere:** DynaMed Plus can be accessed anywhere online and from a mobile device.

• **Recent Updates:** Newly added evidence can be viewed right from the home page and updates can be filtered by specialty.

• **Easy-to-Find Information:** DynaMed Plus is designed so users can quickly find answers to clinical questions. Topics include an Overview and Recommendation section for high-level review, and the table of contents helps users take a deeper dive into the evidence.

What will I find in DynaMed Plus?
